EDUCATION

MS · PHOTOJOURNALISM

Boston University, May 2009

BFA · GRAPHIC DESIGN

Savannah College of Art and Design, May 2005

At SCAD, I worked as Art Director for the newspaper District and Design Director for the radio station, SCAD Radio, developing visual solutions for communicating to the student body as well as the radio station's brand.

EXPERIENCE

DESIGN INTERN

Chen Design Associates · Sept - Dec 2009

As an intern at CDA, I assisted in any and all projects that needed work, from updating seasonal collateral for The North Face to typesetting publications for smaller, local green energy startups.

DESIGN INTERN

826 Valencia · Sept - Dec 2009

Throughout the fall of 2009 I was a design intern at 826 Valencia, a San Francisco-based nonprofit geared towards teaching kids of all ages the benefits of writing. While working on a variety of projects, from posters to in-house publications, I was responsible for maintaining the quirky and independent nature of the visual brand of 826 while also adhering to the professional standards established by existing material.

TEACHING ASSISTANT

Boston University · Jan - May 2009

As a TA for professor Peter Smith at BU, I was responsible for working with him to guide the curriculum of a multimedia journalism class, helping students with conceptual and technological difficulties, and teaching website design and maintenance.

SKILLSET

Excellent written and verbal communication
Knowledge of both Windows and Apple OSX
Adobe Creative Suite, Bridge and Lightroom
